

MEDTECH & BIOTECH CLUSTER

**AT HIGH TECH
CAMPUS
EINDHOVEN**

UPDATED DECEMBER 2025

HIGH TECH
CAMPUS
EINDHOVEN

AT THE HIGH TECH CAMPUS EINDHOVEN THERE IS AN EXTENSIVE MEDTECH & BIOTECH CLUSTER

FROM MEDICAL ROBOTICS &
PRECISION SYSTEMS TO IMAGING &
DIAGNOSTICS, AND A BROAD SERVICE
PROVIDER NETWORK.

High Tech Campus Eindhoven is home to a thriving, collaborative ecosystem of 300+ high-tech multinationals, startups, scale-ups, researchers and institutions that develop breakthrough technologies together. Our vibrant community fosters collaboration and innovation, with world-class expertise in Health, MedTech and BioTech, Semicon & Integrated Photonics, Energy & Cleantech, and Software & AI. High Tech Campus Eindhoven offers a dynamic environment for MedTech and BioTech startups and scale-ups, multinationals seeking collaboration within the network, and service providers in the health domain.

In the middle of this ecosystem, the MedTech & BioTech Innovation Hub CUREON provides a dedicated space to host and support early-stage and scaling ventures in medical technology and biomaterials, offering the infrastructure and environment needed to accelerate growth and scalability. By combining state-of-the-art technical facilities, world-class expertise, and a dynamic network within a lush, green environment, we provide the ideal setting for groundbreaking businesses and talent to connect, experiment, scale, and grow.

MEDTECH & BIOTECH CLUSTER

At High Tech Campus Eindhoven, over 70 of the 300+ companies and institutes are dedicated to developing innovations and services in MedTech, BioTech, and Health.

CUREON

THE MEDTECH AND BIOTECH INNOVATION HUB AT HIGH TECH CAMPUS

At the heart of this extensive MedTech & BioTech cluster at HTCE, CUREON opened its doors in October 2025 as a dedicated hub for MedTech & BioTech. It offers a community, regular events, office space, and state-of-the-art prototyping and production facilities for MedTech devices and bio-based materials.

Powered by

Provincie Noord-Brabant

SUPPORTIVE PARTNER NETWORK

- Direct access to a broad network of technical and clinical experts, facility and service providers at HTCE
- Business development and soft landing programs in cooperation with our partner, the Brabant Development Agency
